Welcome!

We are dedicated to treating families just like yours by providing quality preventive, restorative and cosmetic dental services. Our mission is to create and maintain beautiful, healthy smiles for a lifetime. Our goal is to educate and motivate each family member to accept and practice preventive dentistry at home.

Your benefits are two-fold. First, you can preserve your natural teeth and maintain a healthy mouth ... for a lifetime. Second, you will minimize the need for costly restorative dentistry in the future. If this sounds like what you are looking for in your dental office, or if you would like to know more ... please visit us online or call our office at **281-859-5637**.

A Private Care Practice

As a Private Care Dental Practice, we provide a higher level of personalized care, quality services and dental excellence for our valued patients. Dr. Carey believes in the freedom of all her patients to choose the dental care provider of their choice. Isn't it comforting to know this commitment to excellence still exists in today's world of managed care restrictions?

Convenient Hours

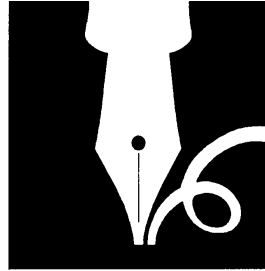

To help you avoid sitting in the hot afternoon traffic congestion, we offer early-bird appointments one day a week on Thursdays:

- **Monday – Wednesday** 8:00 a.m. – 5:00 p.m.
- **Thursday** 7:00 a.m. – 4:00 p.m.

Reserved Appointments

We pledge to respect your busy schedule by seating you promptly. We reserve your appointment time just for you. This is our way of respecting your time.

In return we urge you to honor your reserved appointments. We request 48 hours notice if you are unable to keep your reserved appointment time. Your consideration will allow us to serve all of our patients promptly.

Your Dentist

Dr. Carey is married and the mother of two grown daughters. She graduated from the University of Texas Dental School at Houston and has maintained a private care dental practice in West Houston / Bear Creek area for the last 30 years. Dr. Carey is a long time member of the **American Dental Association**, a **Fellow of the Academy of General Dentistry** and a past-president of the **Houston Academy of General Dentistry**. In addition, she is a graduate of the prestigious **Pankey Institute** for advanced dental education.

Your Hygienist

Dental hygiene is the cornerstone of our commitment to dental prevention. Our dedicated dental hygienists will conduct a thorough evaluation of your overall oral health. Our goal is to arrest any traces of gum disease and return your mouth to optimum health. Your hygienist will be glad to answer your home care questions and explain the appropriate interval for your continuing care exams.

A final examination and diagnosis by Dr. Carey will determine what dental treatment is necessary. Your personalized treatment plan will be discussed with the goal of addressing your concerns.

Dental Services

We require payment for services when rendered. For your convenience we accept Visa, MasterCard, American Express and Discover. We also offer convenient payment plans with Care Credit®. All insurance deductibles and co-payment will be due when services are rendered.

Your Dental Insurance

Our office proudly serves all our patients as a fee-for-service dental provider. As a convenience, we can accept direct reimbursement from most insurance companies and we will gladly process and submit your insurance claim form. The financial responsibility for all dental services is the obligation of the patient or the responsible family member.
